Dylan attended High School at Quinnebaug Middle College. He then continued his education at Porter and Chester Institute where he proudly graduated in the field of HVAC.

Dylan touched/hugged everyone one of us in his own very special way as well as graced us with his contagious laughter. He was an amazing artist and loved skateboarding and covered many miles on four wheels. Dylan was fiercely loyal to his family and loved any animal he encountered.

Even though our hearts are truly aching, we now and forever have a piece of Dylan in our hearts as he has touched the lives of everyone that was blessed to have met him. Our love will go "To Infinity and Beyond".

In lieu of flowers please share your special memories of Dylan with his family in c/o Dolores Boulet 23 South Street Plainfield, CT 06374.
